

FINJAAN BREEDER BONUS

Gazeley Stud are delighted to be offering breeders the chance of winning a £10,000 breeders bonus. The incentive is very straight forward and aims to reward breeders for choosing to mate their mare with Finjaan during the 2016 season. Unlike other bonus schemes there are no additional fees to pay and the bonus goes directly to the breeder in full and is not split with any trainers or pinhookers. It is aimed simply for those who breed racehorses.

The £10,000 bonus will be given to the breeder of any horse from Finjaan's 2016 conceived crop that wins either a Class 1 or Class 2, 3, 4, 5 maiden in England, or either a Class 1 or Open Maiden in Ireland during the horses two year old racing campaign.
